Dear Madam,

**RE: YOURSELF / SOUTH AFRICAN BUTLER ACADEMY**

1. The above matter refers.
2. It has been brought to our attention that you have without our client's consent, made contact with various of our client's students soliciting support against our client on the premises that the agreements entered into with our clients are not legally binding. You have been unsuccessful in various forums against our client and your attempts, to refer to other litigation which has no bearing on your case nor have the facts any relevance to your case, are clearly desperate and of a vexatious nature. In fact, the reference to other matters are a clear misrepresentation to third parties to solicit support under false pretences.
3. For obvious reasons we deny any insinuation that our client's agreements with students are not legally binding and our client's rights are strictly reserved to address the aforementioned at the appropriate time in the appropriate forum.

4. Your actions are unfounded, without any merit and clearly an attempt to earn support for your personal vexatious motives. Your actions set out a cause of action for our client to immediately proceed with a prohibitive interdict.
5. In the premises it is our instructions to demand from you that you by no later than close of business on Wednesday, 18 March 2020, supply us with an undertaking that you will immediately refrain from contacting any of our client's students with the intention and motives described earlier herein. Should you fail and/or neglect to supply us with the required undertaking, our client's rights are reserved to approach the appropriate Court for urgent interdictory relief against you.
6. Please note that you will also be held liable for legal costs of the abovementioned process.
7. This letter will also be sent to your attorney which you identify as Kathleen Vorster of Dunster Attorneys and with whom writer has telephonically discussed the contents of this letter.
8. We trust you find the above in order and that you will act accordingly.

Yours faithfully,
